

NTPS TEACHER AND EDUCATOR BULLETIN 10/2014

Ballot closes this Thursday 12 June

The ballot for the proposed *Northern Territory Public Sector 2014 – 2017 Teacher and Educator Enterprise Agreement* will close at 11:59pm Thursday 12 June 2014.

Participation in the ballot is at the heart of collective bargaining and provides all employees, not just union members, the opportunity to put forward their view on the offer. The outcome of the ballot is decided by the majority of those who vote, so don't miss out on this chance to influence the outcome.

I ask that you consider the offer prior to casting your vote, as I believe it is a fair and reasonable one with pay increases being effective from 24 April 2014, being the first pay day after I made this offer to the Australian Education Union.

I would like to remind you that the NT Wages Policy prevents back pay and if this offer is not accepted any further pay rise can only commence from the date the bargaining parties reach in-principle agreement.
