

## NTPS TEACHERS AND EDUCATORS' BULLETIN 11/2014

### Ballot outcome

I write to advise the proposed Northern Territory Public Sector Teacher and Educator 2014 – 2017 Enterprise Agreement was not approved by a majority of employees who voted in the ballot process. Of the 3,336 eligible voters, 1,623 (48.65%) registered a vote.

The result of the ballot conducted by the Australian Election Company was as follows:

	Number of Votes
YES	534
NO	1,089
INFORMAL	-
TOTAL	1,623

### Next steps

I believed conducting a ballot for the new agreement was the right approach in all the circumstances, as it would have provided employees with two 3 per cent salary increases this year; one from 24 April and the next after 31 August 2014.

I will now consider my available options.

### Thanks to everyone involved

Thank you to all employees who participated in the ballot. It is important that employees support the enterprise agreement process and your involvement is appreciated.
