

NTPS TEACHERS AND EDUCATORS' BULLETIN 8/2013

Important Notice for all teachers and educators

AEU-NT INDUSTRIAL ACTION: 4 HOUR WORK STOPPAGE 19 NOVEMBER 2013

I have received formal notice that members of the Australian Education Union Northern Territory Branch (AEU-NT) in all sectors and regions (excluding Darwin and Palmerston urban) covered by the Northern Territory Public Sector Teacher and Educator 2010 – 2013 Enterprise Agreement ('the Agreement') intend to take industrial action in the form of a four (4) hour work stoppage on Tuesday 19 November 2013, commencing 10 minutes prior to the start of lessons.

The work stoppage will, in effect, prevent normal school programs being delivered, cause significant inconvenience to parents, result in low school attendance for the day and result in some schools being closed. Furthermore, it threatens students' welfare by significantly disrupting their learning.

This bulletin provides important information relating to the work stoppage and how it will be managed:

- Only members of the AEU-NT and who are covered by the Agreement are eligible to take protected industrial action. Members are not obliged to take industrial action if they do not wish to do so.
- As the work stoppage will effectively mean that normal school programs cannot be conducted on the day or for only a very small portion of the day, any member who participates in the work stoppage will not be required to return to work on 19 November 2013 and as such will not be paid for one full day.
- Any member who presents for work at the usual starting time on 19 November 2013 and who performs a full day's work will be paid accordingly.
- Any employee who is absent on the 19 November 2013 will be treated as participating in industrial action unless appropriate documentary evidence is provided that indicates otherwise.
- If a non AEU-NT member participates in this action it is considered 'unprotected industrial action' and as such will not be paid for the period of the work stoppage and may be subject to disciplinary action resulting from the absence.
- Teachers and educators who are attending work as usual on 19 November 2013 are requested to inform their school principal as soon as practicable.
- SESOs, School-based Administration Officers, maintenance officers and school council employees are not lawfully able to take *any form* of industrial action even if an AEU-NT member.

If you are unsure of your rights or responsibilities during this period of industrial action, contact the Employee Relations team in the Office of the Commissioner for Public Employment on 89 99 4282.
