

DENTAL OFFICERS - BULLETIN 3/2014

Bargaining Update

Representatives from my Office and the Department of Health met with the Community and Public Sector Union (CPSU) and their delegates on 2 and 16 June 2014 to progress bargaining for a new Dental Officers' Enterprise Agreement.

As reported in [Bulletin 2/2014](#), the CPSU were considering further information to support their log of claims, and this was provided over these two meetings.

Next Step

I am considering an offer for a new enterprise agreement, taking into consideration the matters raised by the union, and in accordance with the [NTPS Wages Policy 2013-2016](#).

The next meeting is scheduled for Monday 30 June 2014.

More Information

Regular Bulletins and Information Sheets on the bargaining process and proposals will be posted on the OCPE website under the [Enterprise Agreement Negotiation Updates page](#).
