

NTPS GENERAL BARGAINING INFORMATION SHEET 3/2013

COMPARISON OF BASE NTPS SALARY INCREASE COMPARED TO DARWIN CPI INCREASE

The graph provides a comparison of the percentage increases to NTPS base salaries under the general enterprise agreements and the percentage increase to the Darwin CPI. This graph shows that since 1995, NTPS salaries have increased by 23.9 percentage points more than the cumulative increases in the CPI over the same period.
