

### NURSES AND MIDWIVES - BULLETIN 10/2014

#### New Agreement Ballot Successful

I am pleased to advise that a majority of those employees who cast a valid vote for the proposed Northern Territory Public Sector Nurses and Midwives' 2014-2017 Enterprise Agreement approved it. The results of the ballot were:

Yes:	541
No:	87
Total Formal:	628
Informal:	4
Total Ballot Papers Counted:	632

#### Next Steps

In the next few days, representatives from my office will be preparing an application to the Fair Work Commission ("the FWC") for its approval of the agreement. The agreement will commence operation seven days after the FWC approves it.

You will be kept informed about the progress of the approval process in subsequent bulletins. In these I should be able to advise you when payroll services are able to process your salary increases.

#### Further Information

Regular Bulletins and Information Sheets on the bargaining process and proposals are posted on the OCPE website under the [Enterprise Agreement Negotiation Updates page](#).
