

POWER AND WATER CORPORATION - BULLETIN 5/2015

In-Principle Agreement provided for a new Agreement

I am pleased to report the unions have provided in-principle agreement to my [improved offer](#) which included salary increases of 3% per annum over a three year agreement.

Where to from here

Delegates from my Office, the Power and Water Corporation and the unions can now complete drafting of the proposed new Agreement. Although the next salary increase will not due until 13 August 2015, I have agreed (subject to drafting being finalised this week), for the pay increase to be from 16 July 2015.

Further bulletins providing details of a ballot process, the proposed new Agreement and explanatory material will be issued once the drafting is complete.
