

TERRITORY GENERATION - BULLETIN 10/2015

Ballot outcome

I am pleased to advise the '2015-2018 Territory Generation Enterprise Agreement' has been approved by a majority of employees who voted in the ballot process.

The result of the ballot was as follows:

	Number of Votes
YES	82
NO	9
TOTAL	91

Implementation of the new Agreement

Now that it has been approved by a majority of employees who voted, it is necessary to lodge the Agreement for Fair Work Commission approval.

This is a positive outcome as the Agreement will provide the initial 3 per cent salary increase from 16 July 2015, and long term certainty and security of the new terms and conditions.

It is anticipated that Fair Work Commission approval will take approximately six to eight weeks. I will keep you informed of the approval process.

Thanks to everyone involved

Thank you to all employees who participated in the ballot. It is important that you support the enterprise agreement process and your involvement is appreciated.
